P.C.

1. This petition can be disposed of by requiring the petitioner to apply for mutation of the land in question as provided by Maharashtra Land Revenue Code. The Code provides not only for making of such an application but succeessive appeal against orders which may be adverse. In this view of the matter we see no reason to interfere as the apprehension that the officers functioning under the Maharashtra Land Revenue Code 1966 shall not act according to law is not reasonable. Petition accordingly disposed of.
